Monitoring Response Document INITIAL COMPILATION

- x Safety planning and disaster mitigation really put to the test during COVID. The routine coordination with various entities and then communication out to staff/families was near constant and appreciated.
- x Continuing to build cohorts and remain connected through (increased) level meetings through the pandemic.

KR:

- x More frequent meeting due to pandemic.
- x Continued commitment to EDI work.

3. Please note areas for additional improvement

3. Please note areas for additional improvement

DB:

- x Math at some levels continues to be a concern. The board appreciates the continued acknowledgment of extra efforts needed in this area.

KR:

- x As the report notes, continued examination into lower math scores at lower levels is needed as well as participation for certain after school athletic programs

4. Comments on the report itself.
