

Sexual Decision Making

A Lesson Plan from *Rights, Respect, Responsibility: A K-12 Curriculum*

Note to the Teacher: It can help to have these questions written on the board to refer to after each role play.

- 1) What are the possible consequences for this couple if they follow through with their decision?
- 2) Do you think they made a healthy decision? Why or why not?

After the class answers these two questions, the next group will present their role-play and follow the same process. Follow the process described for role-plays of scenarios 1-5. (23 minutes)

STEP 4: Process the entire activity by asking:

- Actors, how did it feel to play these roles?
- How realistic were the consequences the class predicted?
- If you could go back and make another decision again, what would you do differently? (10 minutes)

STEP 5: In closing, remind the class of the following take-home points, “It’s important for each of you to figure out where you stand about decisions regarding sex so you can not only be clear for yourself but also find ways to be clear with any future partners.” Thank class for their hard work and close lesson. (2 minutes)

Freeze Frame Role-Play Scenario 3

Graham and Marina

Marina and Graham have been going out for four months. Marina's family immigrated from Russia five years ago. Marina speaks English well, thinks of herself as American, and argues constantly with her parents about many of their beliefs, which she finds old-fashioned. Graham and Marina are crazy about each other. Plan a role-play in which Graham talks with Marina about having sex and they make a decision.

Graham: You feel lucky to have Marina as your girlfriend. She is beautiful and so nice to you. You like the fact that you come from different cultural backgrounds. You love touching Marina and want to have vaginal sex with her. You want to do it right, though. You want to go with her to get birth control and you plan to use a condom too.

Marina: You've in heaven

Freeze Frame Role-Play Scenario 5 Sydney and Zee

Sydney is a trans girl who has a big crush on Zee. Both are free thinkers who don't like labels. Sydney and Zee have been hanging out together for a few weeks and enjoy a lot of the same things. It's clear that they're attracted to each other, but they've never kissed or touched. Plan a role-play in which Sydney talks with Zee about having sex and they make a decision.

Sydney: You were assigned male at birth but have never identified as a boy or a man. You are a girl, but not a "girly" girl. You really like the fact that Zee is kind of androgynous, but you aren't sure how to get things started. You decide that the two of you should talk about your feelings.

Zee: Biologically you were assigned female at birth but you hate all of the boxes that society puts people in and identify as genderqueer. You work hard to have a gender-nonconforming appearance and style. You enjoy gender-bending and you feel like with Sydney you have finally met someone who really "gets you".
