Coming next year: we will share levy communications ahead of the February 2024 election.

x <u>Announcement of the Climatection Plan A Message from Superintendent Gree</u>gaker (newsitemsandsocialmedia)

We want to highlight three activities

Café con Pan (Coffee and Bread) at all elementary schools

This activity is designed to engage Sparsipleaking families with the school community at a time dedicated only to them. Because the activity is done completely in Spanish, when only those parents are invited, they feel comfortable and appreciate the relade by the school staff to engage them in a unique way.

The event begins with a warm welcome, wpt trents invited to enjoy coffee and sweet bread, which is a tradition from Latin America. At the same time, they mingle with other Spanish speaking parents and staff members. The principals are present to answer questions from the parents about the school and its programs. The biggest highlights are the guided tour of the school and the fun trivia game where they learn some 4 (r)34 (of)3 (f)-7 (e)4 (e (r)3 ( (r)34 (r)34 ge)4 (s))-7 (

## E) Digital Forms

## Qualtrics

The onset of the COVID19 pandemic greatly spanded bur use of Qualtrics and we continue to see its uses search during our most recomporting period.

Though we have closed some projects that had purposes exclusive the althands a fetyprotocols during the COVID19 era, the use of Qualtric sontinues to expand.

All initial training and troubleshooting are provided by the communicatited shicianspecialist.

Our uses for Qualtrics are close to endless we continue to work to find operating and pkeep capacities to develop and maintain new projects in the system.

We continue to explore opportunities tempowerother departments with 'train the traine'r mode, to share capacities in dempower continued use of the product.

The largestandmost robust annual Qualtripsoject continues to our climate survey. The project has specificaudience questions for staffamilies and students. Aldatais connected o a summary dashboard that an be viewed by district and school leadership. During the reporting period, we had 5,188 total responses dimate surveys.

Otherexamples of heavily used Qualtrics projects used n recurring basis include: district wide transferrequests studentathletics, activities and clubs interest urvey, post ccupancy evaluation surveys for new buildings in our district and romise Kindergarter applications.

Qualtricsis also supported by communications ansted for manyone time surveys suchs vaccineclinic scheduling, advisory committees dbudget planning feedback

Forms usedduring this reporting period included:

- x Family, student and taff climate surveys (5,199 responses)
- x Requestor Student Attendance AreTaransfer(4,591 responses since 2019)
- x Student thetic interestsurvey (1,125 responses)
- x 2023-24 staffvaccineclinics (379 responses)
- x Bellingham HighSchoolStaff Vaccine Clinic(298 responses)
- x OperationSchool BenrConsent (254 responses)
- x PromiseAwardsnomination form2023 (236 responses
- x Post occupancevaluation(139 responses)

F) Digital Signage

External reader boards

The communications tearcontinues to develop the use of externat hoolreaderboard signs, funded by the 2018 bond.

Six signs were installeduring the lasteporting period, withone school readeroard (Silver BeachElementary)addedduring the currenteportingperiod.

The signs provide a strongubic presence to hare messages chasschool specific events and districtwide calendareminders Staff canaddany combination of content slide single slideor asmanyas desired) that will rotate and play duriplayin "(1 (e)]TJ 0 Tc 02255 0 TD4 3t)TJ 0.TT14 -10 it safe

Presentlyour schools withreaderboards are:

- x Alderwood ElementarySchool
- x Bellingham HighSchool

TruDigital i nternal displays

TruDigital is a digital signage softwatesedby a portion of our schools tohare content within school buildings on TV displays. Content share-dorough the software its pically specific to internal student audiences.

The communications technician pecialist supports training and trouble shooting requester identified school staft asked with updating the ischool displays. The ommunications tearnalso supports the sharing a size ing of graphics for display, upon requested can push content remotely to signs.
